

### Smarter Water Provides Fully Serviced Water Coolers & Water Filters in Australia

Smarter Water are the No 1 provider of Filtered Water Coolers in the region - for businesses or homes, with a proven track record over 15 years. Fully serviced Water Coolers & Water Filters - Brisbane, Sunshine Coast, and Gold Coast & Australia Wide. We are the modern, cost effect alternative to outdated bottled water delivery. Save time & money – Go Greener, Cleaner – OH&S Compliant – Say NO to bottled water. We showcase the premier industrial grade Filtered Water Cooler system available in the market today, and a full range of Free Standing and Plumbed-in Filtered Water Coolers, including bench-top models.

### What we do?

Our water cooler concept is simple; UNLIMITED PURE FILTERED WATER FOR A LOW FIXED COST, INCLUDING FULL SERVICING – fully OH&S compliant, good for Earth, for life, your health, your business AND your pocket. Save time and money over bottled water. We're serious and we think we tick all the boxes... we love what we do and you'll love us too! **Find out why Australia is turning to Smarter Water and ask about our No Obligation 100% Free Trial**

Smarter Water systems are built to the highest standards for the Australian climate, all having options for Hot & Cold or Chilled/ Ambient water. We offer a choice of refillable units or Plumbed-in POU , ideal for heavy usage and harsh environments. If you have an inquiry, please complete the contact us below and we will respond within 24 hours.
